THE CORNING FRIDAY NOTES

TO: MAYOR AND COUNCIL
FROM: CITY MANAGER JOHN L. BREWER, AICP
DATE: DECEMBER 23, 2015

SCHEDULES:

Holiday Closures: City Hall will be closed Thursday & Friday, December 24th & 25th and Friday, January 1st.

Public Works Director Dawn Grine will be out Thursday, December 31, 2015.

Building Official Terry Hoofard will be out Tuesday, December 29th and Thursday, December 31st.

Fire Chief Martin Spannaus will be out beginning Wednesday, December 23rd thru December 31st.

CITY MANAGER:

Police & Fire Dispatch:

I sat in with both Police and Fire Dispatch for a few hours on 12/21/2015 and 12/22/2015, respectively to learn the differences and similarities between the Dispatch Centers and better get to know Staff. The Police Dispatcher was quite busy while I visited. She had to juggle many tasks while offering customer service at the window. Fire Dispatch did not receive any calls during my visit, but other vehicle maintenance was being performed during the down time. I plan on sitting in at both Dispatch Centers again.

Meeting with Pete Carr, Orland City Manager:

I met with Orland City Manager Pete Carr on 12/22/2015. During the meeting we discussed the numerous similarities between the Cities. We look forward to working with each other to help each City succeed in the future.

Certificate of Compliance Informational Meeting:

John Brewer and John Stoufer attended a briefing by Andrea Leisy of the law firm Remy, Moose and Manley at the Tehama County Board of Supervisors Chambers in Red Bluff on Tuesday afternoon. It was an informative meeting that provided answers to a number of procedural questions the Citizens Committee had submitted related to the recognition of parcels from old subdivision maps and recorded maps. The Board of Supervisors is looking to find a solution that will provide property owners relief from a strict interpretation of statutes regarding the recognition of separate and conveyable parcels in the County.

Informational Briefing on the Medical Marijuana Regulation & Safety Act

In a historic move, Gov. Jerry Brown has signed a comprehensive package of bills to establish a regulatory structure around the state's multi-billion dollar medical marijuana industry. For the first time since voters passed Proposition 215 in 1996, multiple stakeholders including local government, law enforcement, unions and portions of the industry, are agreed on what the regulatory structure should look like. Together, AB 266, AB 243, and SB 643 comprise the Medical Marijuana Regulation & Safety Act.

TOPICS WILL INCLUDE

- How Local Governments Can Prepare For Implementation of State Regulation & Licensing
- Cultivation Ordinances
- Taxation Issues
- Local Control Protections
- Patient Access
- Clean Up Legislation
