The Corning Swim Team is asking for your support. We are desperately trying to expand our team and offer children a quality team for competitive swimming. In the past years the swim team has struggled to keep a well qualified coach in place to train the kids. We are up against the wages that we can offer. Swim team is the only recreational sport that must pay their coach. With the hours that must be dedicated to the team, we currently are paying our coaches not much over minimum wage. Researching what other coaches are making, we should be paying a head coach \$13-\$15 an hour depending on their qualifications. Without raising the fees to join the Corning Swim Team, this is a very hard goal to reach. Without these wages, we are not drawing in any applications for qualified individuals for the job.

So we are turning to you to ask for your help. Currently we are paying the head coach \$2000.00 and the assistant \$1700.00. If the City of Corning could donate \$1000.00 to the Corning Swim Team, we may be able to draw in a coach that could boost the team back up to where it should be. From our research, other team have told us to offer a head coach \$3000.00 for the season.

Thank you for your consideration. Any help that you can offer will be greatly appreciated.
