If the matter is placed on tonight's Agenda, you will have the opportunity later in the meeting to return to the podium to discuss the issue. E. ITEMS PLACED ON THE AGENDA FROM THE FLOOR:

F. ADJOURNMENT!

The Corning Recreation Commission serves as an advisory body to the Corning City Council on Public Parks and Recreation issues including park use, master planning, acquisition and development, beautification, improvement and maintenance of City Parks. The Commission provides a public forum for the proposal and discussion of public recreation services that benefit the Community. Ideally the Commission would encourage community volunteers and youth and adult volunteer sports groups to work together in the planning for current and future facility and program needs.
