IMPORTANT INFORMATION: PLEASE READ CAREFULLY

All businesses engaging in transactions within Corning’s city limits are required to have a current business license. This includes businesses from a home-based office. Business licenses are renewed annually on a fiscal year basis. (July 1st – June 30th)

The issuance of a business license represents only the fact that the licensee has paid a City of Corning business license tax per Municipal Code.

Please be advised that in addition to payment of the tax, you must also comply with all other provisions of the Corning Municipal Code, including but not limited to, building, parking, zoning and fire safety requirements. Prior to commencing business operations, the licensee should consult with the City of Corning Building and Planning Departments to determine whether the type of business to be conducted is permitted at the intended business location.

On September 19, 2012 Governor Brown signed into law SB-1186 which adds a state fee of one-dollar (\$1) on any applicant for a local business license or similar instrument or permit, or renewal thereof. Senate Bill (SB) 1186 (Chapter 383, Statutes of 2012) created Government Code Section 4467. This statute was recently amended by Assembly Bill 1379 (Chapter 667, Statutes 2017).

Among other things, this statute requires:

Effective: January 1, 2018 through December 31, 2023, a four-dollar (\$4) additional fee is to be paid by any applicant for a local business license, permit or similar instrument when it is issued or renewed. If no such instrument exists, the fee is to be paid by an applicant for a building permit.

Please add an additional \$4 to your existing business license fee.

(Example: \$25 annual fee + \$4 State fee)
